## Advertising and Sponsorship Opportunities

As a non-profit school and parish, St. Joseph of Cupertino relies upon all of its local community and families to join in the effort to raise revenue for school facilities, instructional programs, social services, and educational materials. Please take a few minutes to review the following information about how your business, organization, or family can become a sponsor of the 7th annual St. Joseph of Cupertino Carnival.

### Sponsorships are Good Business

Corporate sponsorships are good business and an excellent way to “give back” to the community. As a sponsor of the St. Joseph Carnival, your company will realize tangible marketing benefits in return for your sponsorship investment, while supporting one of the city’s key educational institutions, and positioning your company as a partner with one of Cupertino’s most highly attended public events.
