St. Joseph of Cupertino School is more than just a school - we are a community in the truest sense of the word. At our core is a strong sense of family spirit that celebrates our unity and honors our diversity.

St. Joseph of Cupertino is a unique snapshot of the entire world! In a student-led survey, we discovered that the families of SJC represent all of the following countries and heritages:

We live in this wonderful land of freedom and opportunity, but we come from all corners of the world. We honor the beauty of this diversity, but most importantly, we come together in unity as the children of God.

As a community we celebrate together, pray together, and engage in many family oriented and community building activities such as: First Friday Masses, prayer services, special school-wide assemblies, our International Night Celebration, the Spaghetti Dinner, the Feast of Our Lady of Guadalupe, Christmas Musical night, a Family Barbecue, and the Cupertino Carnival.

We would love you to join our SJC family!
