

“Helping Children in Need”

REACH OUT PROJECT

During Lent, we take the time to reflect on the life of Jesus and we prepare our hearts for his Resurrection.

Jesus dedicated his life helping others and calls us to continue his work of peace and justice. This Lenten season, we answer his call by reaching out to foster and adoptive children who receive services through the Kinship, Adoptive and Foster Parent Association (KAFPA). KAFPA is a non-profit organization that provides resources for foster and adoptive families in Santa Clara County. We will help spread kindness and love by donating new items for children ages newborn through eighteen.

Please encourage your children to take part in this special project. It is a great way to practice almsgiving (giving to those in need).

Preschool – 3rd Grade

Please donate the following:

- Diapers
- New pillows
- New stuffed animals
- New or gently used children’s books

4th – 8th Grade

Please donate the following:

- New teen clothes
- New socks/underwear
- New toiletries
- New or gently used children’s books

***All donations are due by Wednesday, April 12th.**
