We will sell tickets starting this week and through October 30 (students can bring their money in, and the teachers will give them their tickets on Oct. 31). It would be wonderful if you could send **exact change**. Please remember that all proceeds are donated to the missionary work of a local charity, Sacred Heart. Encourage your child to bring his/her own money as a way of helping children who have probably never experienced the child-like fun of a celebration like this. Please send enough money to cover games and food. (\$5.00 should be enough to cover everything; with the Bonus of 4 tickets, a student will receive 14 tickets for \$5.00).
